

RECTOR'S ANNOUNCEMENT

Ladies and Gentlemen,

Due to the persistent epidemic situation and the fact that Częstochowa and the district remain in the red zone, as well as for the sake of the safety of members of the academic community I would like to kindly inform you that the decision to conduct all classes using the methods and techniques of distance education is upheld (for full-time and part-time 1st, 2nd and 3rd cycle studies, postgraduate studies, courses and doctoral school participants).

This decision will be valid until November 15, 2020.

Looking for a return to normal functioning soon, I wish you all health and well-being. Let us remember that only by taking joint, responsible actions we will manage to get through this time.
